

POOL PROJECT BUDGET WORKSHEET

Date : _____

Due to an unprecedented, historical volume of interest, we are now taking reservations for the 2023 season. In order to expedite and start the process of your pool project, please fill out the following contact information below and budget sheet on the second page. This worksheet and prices are only estimates based on today's costs for pools built in the greater Chicago metropolitan area. An accurate estimate for your particular pool will be provided by an expert once your site has been visited and a plat of survey and septic plan have been applied. **All information MUST be filled out in order to move forward and schedule a call with an Anchor representative.**

I understand that Anchor Spa & Pool is booked for new pool construction into May of 2023; my initial signifies that I understand and agree to my pool being built after this time.
