

## POOL PROJECT BUDGET WORKSHEET

Date : \_\_\_\_\_

Due to an unprecedented, historical volume of interest, starting December 2022, we will begin taking reservations for the 2024 season. In order to expedite and start the process of your pool project, please fill out the following contact information below and budget sheet on the second page. This worksheet and prices are only estimates based on today's costs for pools built in the greater Chicago metropolitan area. An accurate estimate for your particular pool will be provided by an expert once your site has been visited and a plat of survey and septic plan have been applied.

**All information MUST be filled out in order to schedule a call with an Anchor representative.**

*I understand that Anchor Spa & Pool is booked for new pool construction until 2024; my initial signifies that I understand and agree to my pool being built within this time frame.*
